### Responsibilities

Seeking an energetic person to operate state-of-the-art tri-axle hook lift truck to deliver materials and equipment to job sites and to haul off concrete washout containers and recycle bins. Job duties include, but not limited to:

- Successfully master the safe operation of a 65,000 lbs hook lift truck in conjunction with a 25 ton tag a long trailer.
- Must be able to operate equipment including skid steers, excavators, and loaders for the purpose of loading material or equipment on the truck for transport.
- Will need to be well versed in load securement or master learning the task.
- Person will be responsible for managing warehouse activities when not making local deliveries and pickups including taking inventory, receiving deliveries, pulling orders, and preparing small tools and equipment for delivery to job sites.
- Physical demands must be met by an employee to successfully perform the essential functions of the job.
- Must be able to maintain current DOT Medical Card with CDL License.
- Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. While performing the duties of this job, the employee is frequently required to:
  - Maintain a safe and orderly work area.
  - Perform preventive maintenance, inspections and repairs on motor vehicles/equipment.
  - Perform other duties as assigned and assist in other areas of the business, and throughout the company.
  - Handle chains and binders.
  - At various times, hand stack 50lb bagged material for shipment.
